

**Drink UP**

[SANDYASCH.COM](http://SANDYASCH.COM)

*21-day*  
**RESILIENCE**  
CHALLENGE

Divide your body weight by two. That's the number of ounces of water you need to drink every day to keep your body and brain working at optimum levels.

Ex. A 150 pound adult should aim to drink 75 ounces of water per day. Drink UP!
